Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Target: Maintain the proportion of students above 35%, in Years 3 and 5, in the upper two bands in reading. *53.3% of students achieved the upper two bands in Year 3.*

Target: Increase the proportion of students from 20% to above 30%, in Years 3 and 5, in the upper two bands in numeracy. *43% of students achieved the upper two bands in Year 3.*

Target: Increase the proportion of students to above 75% achieving regional benchmarks in reading. *More than 75% of students in Prep to Year 2 achieved above regional benchmarks.*

Initiatives implemented include:

- Investing in teacher capability development to implement effective teaching and learning programs.
- Implementing programs to build literacy and oral language skills in the early years.
- Engagement and transition programs that enhance partnerships with community groups, local playgroups, Crèche and Kindergarten, and day care providers.

Our school initiatives are showing progress toward our targets

Maintaining the proportion of students in Year 5 in the upper two bands in reading, above 35% and numeracy above 30%. Implementing effective teaching and learning practices to build numeracy skills, including parent support. *33% of students achieved the upper two bands in Year 5 in reading and 25% of students achieved the upper two bands in Year 5 in numeracy.*
